

# UNLOCK A WORLD OF OPPORTUNITIES

# DOUBLE DEGREE IN NURSING

## PROGRAM OVERVIEW

Embark on a unique educational journey with our Double Degree Exchange Program in Nursing. This program offers a transformative experience that combines academic excellence, cultural immersion, and professional growth.

## ONLINE MODULE CLINICAL REASONING & CRITICAL CARE

Dive into an enriching online Critical Care module taught in English. Develop clinical reasoning skills in acute care, providing you with a solid foundation in critical care nursing.

## MODULE – LIVE CONTACT TEACHING IN BELGIUM CLINICAL REASONING AND SIMULATION

Immerse yourself in live contact teaching in the Simulation lab of Artevelde University. Collaborate with fellow students from Portugal in this module, solving clinical simulation scenarios and enhancing your practical skills and cultural understanding.

Contact Artevelde: Dieter Vyt - [dieter.vyt@arteveldehs.be](mailto:dieter.vyt@arteveldehs.be)

## RESEARCH COLLABORATION IN ENGLISH

Engage in scientific research by collaborating seamlessly with students from Portugal and Belgium, broadening your perspectives and contributing to a cross-cultural academic environment, supported by lecturers from IPS.

## DUAL-LOCATION INTERNSHIP EXPERIENCE:

- **Semester 1:** Students from IPS join Artevelde students in Belgium for their internship. In this buddy-system, students share experiences to achieve as well personal and professional growth.
- **Semester 2:** Students from Artevelde fly over to collaborate with the IPS students in the same department, fostering international teamwork.

## DOUBLE DIPLOMA

By completing this Double Degree Exchange Program, you will earn 41 ECTS credits towards your nursing degree. This achievement grants you the privilege of receiving diplomas from both Arteveldehogeschool and IPS Portugal upon program completion.

## WHY CHOOSE OUR PROGRAM?

- **International Perspective:** Gain insights into diverse healthcare systems.
- **Cultural Enrichment:** Immerse yourself in cross-cultural experiences.
- **Professional Growth:** Enhance your skills through dual-location internships.
- **Dual Diplomas:** Boost your career prospects with degrees from two esteemed institutions.
