ESCOLA SUPERIOR  
POLITÉCNICO SETÚBAL

# 1º Seminário Internacional de Ciência da Implementação e Enfermagem

## 1st International Seminar on Implementation Science and Nursing

8 de abril | 8th April 2025

### Provisional program / Programa provisório

**13h50** – Access to the virtual room

**13h50** – Acesso à sala virtual

**14h00** – Opening Session

**14h00** – Sessão de Abertura

**14h10** – Implementation Science and Nursing

Keynote speaker – Mariana Bueno  
PhD, RN. Assistant Professor-Lawrence Bloomberg Faculty  
of Nursing, University of Toronto, Canada

**14h10** – Ciência da Implementação e Enfermagem

Keynote speaker – Mariana Bueno  
PhD, RN. Assistant Professor-Lawrence Bloomberg  
Faculty of Nursing, University of Toronto, Canada

**14h45** – Simulation-Based Learning in Nursing: Exploring the Role of  
Virtual Reality

Keynote speaker – Dieter Vyt  
MSc. N. Teamleader clinical education of the Bachelor  
program Nursing of Artevelde University of Applied Sciences  
Ghent, Belgium

**14h45** – Simulation-Based Learning in Nursing: Exploring the Role  
of Virtual Reality

Keynote speaker – Dieter Vyt  
MSc. N. Teamleader clinical education of the Bachelor  
program Nursing of Artevelde University of Applied  
Sciences Ghent, Belgium

**15h20** – Using Community-Based Participatory Research (CBPR) to  
Assess Barriers to Palliative Care Among Vulnerable Populations

Keynote speaker – Amisha Campos  
PhD, RN, MPH, CHPN. Assistant Professor – UConn School of  
Nursing, USA

**15h20** – Using Community-Based Participatory Research (CBPR)  
to Assess Barriers to Palliative Care Among Vulnerable  
Populations

Keynote speaker – Amisha Campos  
PhD, RN, MPH, CHPN. Assistant Professor – UConn School  
of Nursing, USA

**15h50** – Break

**15h50** – Intervalo

**16h00** – Round Table – Implementation of Knowledge

**16h00** – Mesa Redonda – Implementação do Conhecimento

**17h30** – Presentation of Communications and Posters – Breakout  
Rooms

**17h30** – Apresentação de Comunicações e Posters – Salas  
Paralelas

**18h40** – Break

**18h40** – Intervalo

**18h50** – Use of AI in the Fields of Practice and Knowledge Translation

Keynote speaker – Lucília Nunes  
PhD, MSc. N, RN. Coordinating Professor – Department of  
Nursing, School of Health, Setúbal Polytechnic Institute,  
Portugal

**18h50** – Utilização da IA nos domínios da prática e translação do  
conhecimento

Keynote speaker – Lucília Nunes  
PhD, MSc. N, RN. Coordinating Professor – Department of  
Nursing, School of Health, Setúbal Polytechnic Institute,  
Portugal

**19h20** – Awards and Closing

**19h20** – Prémios e Encerramento
